DIVISION OF
OIL, GAS & MINING

Subject: Notice of Intention to Commence Mining Application (Amended), Vernal Phosphate Project, Phase II, Uintah County, Utah

Dear Mr. Smith:

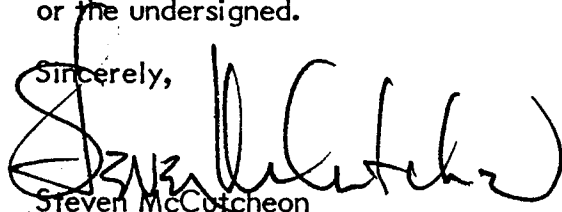

On behalf of Chevron Resources Company, we are submitting an amended Notice of Intention to Commence Mining, together with a reclamation plan, for a proposed expanded mining operation at Chevron's Vernal Phosphate Project near Vernal, Utah. The subject application with the required supporting materials and drawings, are all contained in the two (2) volumes submitted herewith.

As you know, the Vernal project is an existing mine currently operating under a reclamation contract entered into with your Division (Reference ACT 047/007). The operations covered under this amended Notice applies to a proposed expanded operation at that facility.

We would appreciate your early review of the subject materials.

If there are any questions, please contact Mr. Fred L. Riding, Vernal Phosphate Project, Chevron Resources, Manila Star Route, Vernal, Utah 84078, Telephone: (801) 789-2233, or the undersigned.

Sincerely,

Steven McCutcheon
